

The MARKETS NOW

Informal and interactive discussions of global markets inviting questions, asking questions and exchanging views with investors who share the same fascination and enthusiasm for financial markets.

- **Identifying market opportunities in a somewhat risky environment.**
- **Will the choppy, bearish environment persist beyond October or improve with seasonal factors?**
- **Will China remain a major risk for the global economy or could it also be beneficial?**
- **Thoughts on finding good companies to back – a Zoology for equity investors.**
- **Sketching the next market storm – what might it look like? Nothing is perfect, but are there proven ways to reduce risk during bull markets?**
- **Are we in the foothills of a sustainable commodity recovery?**
- **Is China out of control or out of believers?**

DAVID FULLER

David Fuller is a global strategist and Chairman of Fuller, Treacy Money, previously known as Fuller Money. He is a career analyst, behaviourist and private investor, writing, conducting seminars and lecturing on markets for over 47 years.

DR PAUL JOURDAN

Dr Paul Jourdan is an award-winning fund manager, who has specialised in investing in UK smaller companies for the last 15 years. He co-founded Amati Global Investors in January 2010. Paul became manager of the First State British Smaller Companies Fund in 2000, and, with the team at Amati, still manages this fund, now called the TB Amati UK Smaller Companies Fund. In 2005 he launched what is now Amati VCT plc and Amati also manages a second VCT. Prior to 1998 Paul worked as a professional violinist, including a four year period with the City of Birmingham Symphony Orchestra.

IAIN LITTLE

Iain Little has been a private client manager for 35 years. He founded P&C in Zurich in 1999, now part of European Wealth Group. He ran Pictet's UK private client business, and has managed money for endowments, Japanese life companies and various funds. He writes a global investment diary and is a huge fan of closed-ended investment funds.

“David, many thanks to you and your fellow presenters at Monday's Markets Now event. It was the most illuminating view of macro growth opportunities I have seen in many years.”
