

# *The* MARKETS NOW

Informal and interactive discussions of global markets inviting questions, asking questions and exchanging views with investors who share the same fascination and enthusiasm for financial markets.

- What is the outlook for stock markets following the May - October period of underperformance?
- Will Wall Street outperform during the 2016 Presidential Election cycle?
- Has the global commodity cycle bottomed?
- Can OPEC regain its former control over global oil prices?
- Which investment trusts are likely to outperform in 2016?
