

The **MARKETS NOW**

Informal and interactive discussions of global markets inviting questions, asking questions and exchanging views with investors who share the same fascination and enthusiasm for financial markets.

- **Seasonal factors for stock markets are now favourable but corporate profitability remains a concern.**
- **Expect turbulence as rates rise but what are the most promising sectors and geographic regions?**
- **Uncertainties? How about Brexit, elections, QE, competitive devaluations and economic prospects?**
- **Has Tesla made commodities fun again? Next generation resources: the new frontier for mining investment.**
- **Is this start of another mining super-cycle or are we doomed to repeat the mistakes of the past?**
- **Gold: becoming mainstream as fundamentals reassert themselves and policy makers dither?**
- **An Up-Date on our “Trusts In Focus” programme**
- **Uranium and our “Geiger” investments**
